NEW YORK TIMES BESTSELLER

"Looking For Alaska is a showcase to the raw talent John Green has, the kind of talent that can make you close the crisp last page of a novel and come out as a different person."

—Guardian

FIRST FRIEND,
FIRST GIRL,
LAST WORDS.

before

Miles "Pudge" Halter is done with his safe life at home. His whole life has been one big non-event, and his obsession with famous last words has only made him crave "the Great Perhaps" even more (Francois Rabelais, poet). He heads off to the sometimes crazy and anything-but-boring world of Culver Creek Boarding School, and his life becomes the opposite of safe. Because down the hall is Alaska Young. The gorgeous, clever, funny, sexy, self-destructive, screwed up, and utterly fascinating Alaska Young. She is an event unto herself. She pulls Pudge into her world, launches him into the Great Perhaps, and steals his heart. Then...

THE GRAPES OF WRATH

JOHN STEINBECK

The Dust Bowl hit during the height of the Great Depression and combined with the mechanization of farming, many sharecroppers were evicted from the land their fathers had previously owned for generations. Nobel Prize winning author John Steinbeck takes us into this world with the Joad family who, now homeless, find themselves unexpected migrants on the path to California and what they believe is the promised land. A poignant tale of devastation, hope, and sorrow.

*The Pulitzer Prize winning classic
from John Steinbeck*
